WE WILL NOT GO DOWN (Song for Gaza)

(Composed by [Michael Heart](#))

Copyright 2009

A blinding flash of white light

Lit up the sky over Gaza tonight

People running for cover

Not knowing whether theyre dead or alive

They came with their tanks and their planes

With ravaging fiery flames

And nothing remains

Just a voice rising up in the smoky haze

We will not go down

In the night, without a fight

You can burn up our mosques and our homes and our schools

But our spirit will never die

We will not go down

In Gaza tonight

Women and children alike

Murdered and massacred night after night

While the so-called leaders of countries afar
Debated on whos wrong or right
But their powerless words were in vain
And the bombs fell down like acid rain
But through the tears and the blood and the pain
You can still hear that voice through the smoky haze

We will not go down
In the night, without a fight
You can burn up our mosques and our homes and our schools
But our spirit will never die
We will not go down
In Gaza tonight

Under The Same Sun-Scorpions
I saw the morning
It was shattered by a gun
Heard a scream, saw him fall, no one cried
I saw a mother
She was praying for her son
Bring him back, let him live, dont let him die

Do you ever ask yourself
Is there a heaven in the sky
Why cant we get it right

cause we all live under the same sun
We all walk under the same moon
Then why, why cant we live as one

I saw the evening

Fading shadows one by one
We watch the lamb, lay down to the sacrifice
I saw the children
The children of the sun
How they wept, how they bled, how they died

Do you ever ask yourself
Is there a heaven in the sky
Why cant we stop the fight

cause we all live under the same sun
We all walk under the same moon
Then why, why cant we live as one
Sometimes I think Im going mad
Were loosing all we had and no one seems to care
But in my heart it doesnt change
Weve got to rearrange and bring our world some love
And does it really matter
If theres a heaven up above
We sure could use some love
cause we all live under the same sun
We all walk under the same moon
Then why, why cant we live as one
cause we all live under the same sky
We all look up at the same stars
Then why, tell me why cant we live as one
